
LINEAR WARMING DRAWER -14cm

CODE : BI WD 60 BG

TECHNICAL DRAWING

FEATURES

- **Cavity Material : Stainless Steel**
 - **Appearance Material : Stainless Steel**
 - **Interior volume (litres) : 22L**
 - **Operating indicator light : Background Light**
 - **Interior light : N.A / By Magnetic proximity switch**
 - **Heating stopping when open Extension : Full-extension(350mm)**
 - **Temperature control : Thermistor**
 - **Type of control setting and signalling devices : Touch Screen**
 - **Drawer heating plate : Stainless Steel**
 - **Adjustable temperature range : 40-80°C**
 - **Usable Cavity Dimensions(HxWxD)(mm) : 88.5x526.5x420(20L)**
- SAA: 230V-240V,50Hz : N.A
-
