

FSTS DRIP-FREE 90 X | 305.0702.607

Smart Style FSTS DRIP-FREE 90 X built-in wall mounted hood with anti-condensation filters

Aesthetics	
Hood type	Cash in
Finish	Stainless steel / black glass
Dimensions	
Width in mm	900.0
Outlet tube diameter	150
Consumption data	
Dam type	Without plug
Annual energy consumption	74.8
Fluid dynamics class	B
Lighting class	A
Filter class	C
Motor voltage	220-240V 50-60Hz
Engine type	SP 800
No. of engines	1
Installation	
Installation	Cash in
Product Specifications	
Air quality sensor	No
Energy efficiency class	B
General data	
Brand	Franke
Product family	Smart
Gamma	STYLE DRIP-FREE
Characteristics	
Number of lamps	2
Lighting type	Led S2000 4000K
Remote control	No

Water resistant	No
Commands	Button
Speed number	3+i
Speed regulation	No
24h function	No
Delay function	No
Automatic start	No
Wi-Fi	No
Filtration type	Grill
Filter type	Stainless steel
Activated carbon filter	No

Performance

Speed	1	2	3	BOOST
